Good The Dr. was in a hurry
Very good Always helpful
Neither go I find the patches system clunky and not useful.
Very good I have never had any issues with the Centre. All my medical needs are taken ca

Neither go ""Rightly or wrongly, I felt I was dismissed by reception. So I chose to use Patch
Very good They are never too busy to help always have appointments
Very good Staff very friendly and helpful...
Very good
Neither go ""Too many questions, not enough answers 'dont know""
Very good
Good
Very good They are very efficient
Good The Belmont practice is good
Very good Because they care and listen to me
Very good Always helpful
Neither go Prefer to talk to someone face to face
Very good Quick and straightforward
Very good
Very good
Very good
Good Quick and easy to access PATCHs with clear instructions on website

ver the phone. The only problem which i guess is no ones fault is that the wait times to get an appoin

tment can be a few weeks sometimes. "
