Very good Their service to me has always been very satisfying and they are always very h
Neither go ""I've only filled in a form so no service has been provided as of yet. "
Very good Very good easy to get online and to use.
Very good
Good Clear questions

:k. The following week I was schedule with blood test. Received result a day after and a text message

from Dr Donner to make an appointment. Not as swift as other countries I am lived and worked in b

ut good given the backlog and I am appreciative.
