##### Neither good nor poor  
##### Neither go ""No interaction with the GP, only Patches."  
##### Very good  
##### Don't know Itâ€™s not easy completing this form as typing takes long with joint pain and worry about being timed out. Talking to person or being  
##### Very good ""GP practice is very good, app is not. "

##### Neither go Not applicable

##### Very good Reception staff and gps always super professional and helpful

##### Very good I have always had good approach by staff and they are helpful

things itâ€™s always book a appointment which I loose money every time when you can easily prescribe the medication without a appointment
